

The MGB is designed to perform on that narrow band where first place is separated from second place by fractions of seconds and tenths of inches.

And like all great athletes who strive to excel in their class, MGB has faced the test of competition and has emerged victorious. It is the reigning National Champion in SCCA E Production for the third year in a row.

Experience its stamina and reflexes on the road: Any road. The curvy, scenic kind or the wide, fast kind. The "B" excels at both.

The MGB puts it all together with its gas-saving four cylinder 1798 c.c. engine and short-throw, four-speed gearbox. Combined, you get maximum response with good gas mileage—from 18 to 23 mpg depending on where and how you drive.

The rack and pinion steering, race seasoned suspension and front disc brakes function with such balance and harmony that the result is truly that of a champion.

Other standard "B" features: Complete instrumentation, including tachometer, trip odometer and gauges for fuel, water, oil and bat-

tery. Also reclining bucket seats, wrapped steering wheel, carpeting, oil cooler, mag-style wheels and radial-ply tires.

So go down and meet the athletic MGB at your MG dealer. For dealer's name and for information about overseas delivery, call (800) 447-4700. In Illinois, call (800) 322-4400. Calls are toll free.
