

2018 DODGE CHALLENGER SRT DEMON CUSTOMER ACKNOWLEDGEMENT

The 2018 Dodge Challenger SRT Demon (the “**Vehicle**”) is the automotive industry’s first and only purpose-built, street-legal production drag car. The Demon is a unique performance Vehicle with unique characteristics, parts, systems and capabilities and performs unlike other vehicles. It is imperative that you understand and acknowledge the unique characteristics of this Vehicle before purchasing or driving. **Please refer to the Vehicle’s Owner’s Manual, User Guide, 2018 Demon Supplement and 2018 Demon Tips Card in their entirety.**

Customer hereby acknowledges and agrees that:

1. Customer shall have full responsibility and shall assume all risks related to the use of the features and applications in the Vehicle and shall only use the features and applications when it is safe to do so. Failure to do so may result in an accident involving serious injury or death. **INITIALS**
2. Customer shall read and fully understand the Vehicle’s Owner’s Manual, User Guide, 2018 Demon Supplement and 2018 Demon Tips Card in their entirety prior to operating the Vehicle. **INITIALS**
3. If factory installed passenger and/or rear seats of the Vehicle are or have been removed, no person or persons shall ride in those areas. If factory installed passenger and/or rear seats of the Vehicle are removed, Customer acknowledges that in the case of a collision or other accident, people riding in those areas are more likely to be seriously injured or killed. **INITIALS**
4. If the Vehicle is not factory equipped with a passenger seat, Customer shall never attempt to install a passenger seat because the passenger will not be properly protected. **INITIALS**
5. Customer shall never use any “Track-Use” features, functions, equipment or parts on public roads or any other prohibited area. The intended use of “Track-Use” features, functions, equipment or parts is for race vehicles on race tracks. **INITIALS**
6. The Vehicle’s Nitto NT05R drag radial tires (the “**Drag Tires**”) meet United States Department of Transportation requirements, but they are not intended for highway use, as the expected miles of wear from the racing compound is greatly reduced. **INITIALS**
7. The Drag Tires are not recommended for driving in wet weather conditions where there is a risk of hydroplaning. **INITIALS**
8. Customer shall not move the Vehicle in temperatures below 15° F with the Drag Tires. In temperatures below 15° F, the Drag Tires can lose flexibility and that may lead to cracking and other tire damage. **INITIALS**
9. Customer shall always inspect the Drag Tires for signs of cracking and damage before use. **INITIALS**
10. Customer understands that Vehicles in the following colors: B5 Blue, Indigo Blue, Plum Crazy and F8 Green will not be available until Q1 of 2018 (at the earliest). **INITIALS**
11. Customer shall use only those fuels specified in the Vehicle’s Owner’s Manual, User Guide, 2018 Demon Supplement and 2018 Demon Tips Card as the use of other fuels will damage O2 sensors and catalytic converters. **INITIALS**

12. Customer shall not tighten the lug nuts fully until the Vehicle has been lowered to the ground (e.g., from a jack or hydraulic lift). Note that lug nuts should be fully tightened prior to operating the Vehicle. Please refer to the **Vehicle's Owner's Manual, User Guide, 2018 Demon Supplement and 2018 Demon Tips Card** in their entirety. INITIALS
